# COV-19 HEALTH & SAFETY GUIDELINES

## INTRODUCTION

**During the current Covid-19 outbreak / pandemic, it has become necessary for Jellybean Photobooth & Event Hire to introduce additional safety / hygiene measures within our operating guidelines to reduce the risk and spread of coronavirus.**

**We have updated and amended our operating guidelines and will continue to update when any changes to government guidance is introduced.**

Jellybean Photobooth will review the guidelines upon any changes to the government guidelines, and on a monthly basis to ensure information is up to date and relevant – for the purpose of our direct colleagues, representatives of Jellybean Photobooth, free-lancers working on behalf of Jellybean Photobooth, customers, guests and any other people who may come into contact with us.

GUIDELINES REVIEWED: **01/07/2021**

ASSESSMENT CARRIED OUT BY: **STACEY DEELEY, PROPRIETOR**

NEXT REVIEW: **01/09/2021**

## GUIDELINES

### PRIOR TO EVENT TAKING PLACE

- Jellybean Photobooth will arrange a call and/or email with all clients / customers 4-6 weeks prior to a booking to discuss any health and safety concerns the client may have regarding their event / booking. This may involve contacting the event coordinators / managers to ensure Jellybean Photobooth and their representatives can operate and setup in a safe manner. Notes will be made internally on our systems to location, time, any risks there may be in the venue
- No face-to-face consultations to occur for the foreseeable future. All consultations and meetings with customers to take place over Skype, MS Teams, or video call / Facetime or Call / Email.
- If any of the Jellybean Photobooth representatives / colleagues contract any symptoms related to Covid-19 upto 2 weeks prior to the event – they will be unable to work and required to test for coronavirus as per the government guidelines. Jellybean Photobooth will ensure all colleagues / free lancers working on their behalf hold no symptoms and are safe to work. If Jellybean are unable to provide a colleague due to staffing levels where colleagues / free lancers have to self isolate or unable to work - this will mean cancelling the booking with full refund of any payments.
- Jellybean Photobooth will check-in with all colleagues / planned freelancers regularly to ensure they are fit for work – including contact over email and phone / text.
- All Jellybean Photobooth colleagues / freelancers to understand and be trained on the current guidelines and social distancing requirements – and to confirm with Stacey Deeley their understanding before each event.

- On the date of the event, Jellybean Colleagues / free lancers must wash their hands frequently throughout the day using soap and water for 20 seconds, and use the provided 100ml hand sanitiser frequently.
- Jellybean colleagues / free lancers must provide their own way to the venue in a personal vehicle or other transport and only be transported by Jellybean company vehicle(s) if within same family / social bubble.
- Jellybean to ensure a plenty supply of hand sanitiser prior to the booking is available.
- Jellybean to ensure all surfaces of equipment, all props, all photoboosts / mirrors are fully cleaned and sanitised prior to delivery.
- All Jellybean equipment to no longer be hired out externally to another company / venue and to only be used by Jellybean Photobooth & Event Hire. All hires for the foreseeable to be carried out by Jellybean Photobooth and their colleagues / free lancers / representatives to ensure all guidelines are followed.

## DURING BOOKING

- All equipment including selfie pods, photoboosts, magic mirrors, props, prop boxes and any other items that will / may come into contact with guests must be deep cleaned before and after any event.
- Clear entrance to photo booth / magic mirror to allow social distancing, including using the red ropes and stanchions to make a visible queuing area – along with the use of clear signage at the entrance of the photo booth and queuing area including reminder signage to sanitise hands and enter only in a social / family bubble; and the use of tape on the floor to remind clients / customers of social distancing.
- All Jellybean Photobooth colleagues / free lancers must wash their uniform at the end of each day.
- Hand sanitiser provided for personal use of Jellybean colleagues / free lancers - and for customers and clients at the events using a pump bottle.
- Cleaning of all props that are used each session – using a separate box for all used props to be placed to be sanitised and replaced back into the provided prop box – cleaned with antibacterial wipes / approved sprays.
- Cleaning of all surfaces of the photo booth / magic mirror / selfie pods at 15 minute intervals to ensure clean and safe – including screens, regularly touched surfaces, cameras / lenses and entrances.
- All Jellybean Colleagues / free lancers to wear the company issue masks / face coverings for the duration of the booking and during setup / dismantling. Preference of use of physical masks and face coverings as an alternative to a visor.
- Offering of the use of virtual props on our photo booth software to reduce the risk further as an alternative to physical props if the client / customer requires this.
- All reprints that are provided can only be paid for by contactless payment with no cash options available.
- All prints to be collected from the printer by customers individually to prevent cross contamination with the tray of the printer to be sanitised at 15 minute intervals as per the guidelines above.
- Jellybean colleagues / free lancers to continually remind clients / customers / guests of the current guidelines, actively offer all people entering the booth / mirror / selfie pod to use sanitiser before use.
- Additional signage and reminders on the touch screens inside the booth / mirror / selfie pods of the guidelines and our safe operating procedures.
- Preventing access to any guest / customer to our facilities if not co-operating with the current guidelines or they pose a risk to other guests / customers / colleagues / freelancers.
- Full close down of photo booth / selfie pods and mirrors at events immediately if any practices from the venue / guests / clients at the event pose a risk to members of the public and or jellybean colleagues / free lancers as per our standard terms and conditions.

## DURING SETUP / DISMANTLING

- Jellybean colleagues / free lancers to enter the venue prior to the booking to ensure safe setup and discuss with event organiser / coordinator / client to agree dedicated space to setup.
- Use of red ropes and stanchions to cordon area of venue to setup safely removing risk of customers and members of the public entering setup area.
- Arrive 90 minutes prior to start time to allow setup for increased social distancing.
- Use of electric pumps and manual pumps to support inflating of physical props to prevent cross contamination.
- Full deep cleaning of equipment before setup time using antibacterial wipes and approved sprays.

## ADDITIONAL PROCEDURES

- Stacey Deeley, Sole Proprietor to ensure all risks are highlighted on all booking notes on Jellybean systems and to make aware of all risks and concerns to all Jellybean colleagues / representatives prior to event taking place. To also make decision if an event is going ahead if unsatisfied with guidelines / practices in place with venue / client / guests.
- Stacey Deeley to regularly update guidelines as per government guidance and local restrictions.
- No events / bookings to take place in any venue subject to a local lockdown where Government restrictions are in place preventing such event taking place.
